SUBJECT: Notice of Violation Response

County of Wilkes written response to the Notice of Violation as required in the September 15, 2014 Notice of Violation letter. We are submitting our response as follows:

1. The origin of the sign with Burke County information was produced and generated by a local Wilkes County business. This business produces various types of signage for multiple counties. This sign was generated in Wilkes County and disposed of in Wilkes County. Therefore, we do not feel that the Burke County sign was in violation of either 15A North Carolina Administrative Code 13B.1626(1)(a), 15A North Carolina Administrative Code 13B.0203(d) or General Facility Permit Condition #8. Please see attached document.

The Wilkes County Department of Solid Waste will continue with our waste screening procedure in an effort to prevent prohibited waste from entering our facility.

Dear Charles Gerstell  
Re: Violation Letter

I am writing this letter to help resolve the issue concerning a violation letter, issued to Roaring River Solid Waste Landfill Facility, on September 15, 2014.

SignFactory Direct, Inc is located at 1202 Industrial Park Rd, Wilkesboro, NC.

We are located in Wilkes County and have been a sign manufacturer for over 20 years. At this location we produce all sign materials for our customers. The sign material you found at this landfill was produced at our business. This sign was manufactured several years ago, at our location and wasn't able to be reconditioned. So, at our customers request we produced a new sign. The material you found at Roaring River Landfill was produced and disposed by SignFactory Direct, Inc located at 1202 Industrial Park Rd, Wilkesboro, NC.

Sincerely,  
Angie Colburn, Office Manager
